COLLAGEN + MALACHITE CREAM BALM
Antiwrinkle firming
Cream-balm treatment with **Plant-based Collagen Amino Acids** for an intense **anti-age**, **firming**, **antiwrinkle action**. Plant-based Collagen is combined with **Malachite**, a copper-rich mineral extract that's a precious ally when it comes to anti-age protection for the skin thanks to its **anti-oxidant and anti-glycation action** (the degenerative process that causes collagen fibers to harden and therefore lose their function).
Suitable for all skin types, even sensitive.

HYALURONIC ACID + MADECASSOSIDE CICA-MASK
Soothing hydrating
Rich, restorative treatment boosted with **4 molecular weights of Hyaluronic Acid** that act on the different layers of the skin, delivering **intense**, **multi-level hydration**. Hyaluronic Acid is combined with **Madecassoside**, an active molecule from Centella Asiatica, known for its **exceptional soothing properties**: it eases irritation and helps repair the skin's barrier.
Suitable for all skin types, including sensitive skin.

PROTECTIVE DROPS SPF50
Anti-age brightening

CREMA BALSAMO COLLAGENE + MALACHITE
Antirughe rassodante
Trattamento in crema-balsamo con **Aminoacidi di Collagene Vegetale** per garantire un'intensa **azione anti-invecchiamento**, **rassodante e antirughe**. Al Collagene Vegetale è associata la **Malachite**, estratto minerale ricco in rame, prezioso alleato per la protezione della pelle dall'invecchiamento cutaneo grazie alla sua **azione antiossidante e anti-glicazione** (processo degenerativo che porta all'irrigidimento delle fibre di collagene e quindi alla perdita della loro funzionalità).
Adatta a tutti i tipi di pelle, anche sensibili.

CICA-MASCHERA ACIDO IALURONICO + MADECASSOSIDE
Lenitiva idratante
Trattamento dalla texture ricca e restitutiva arricchito con **4 pesi molecolari di Acido Ialuronico** per agire sui diversi strati cutanei e assicurare un'**idratazione intensa e multi-livello**. All'Acido Ialuronico è associato il **Madecassoside**, molecola attiva della Centella Asiatica nota per le sue straordinarie **capacità lenitive**: calma le irritazioni e ripara la barriera cutanea.
Adatta a tutti i tipi di pelle, anche sensibili.
