LIBERA LA TUA BELLEZZA

CREMA BALSAMO COLLAGENE + MALACHITE Antirughe rassodante. Trattamento in crema-balsamo con Aminoacidi di Collagene Vegetale per garantire un'intensa azione anti-invecchiamento, rassodante e antirughe. Al Collagene Vegetale è associata la Malachite, estratto minerale ricco in rame, prezioso alleato per la protezione della pelle dall'invecchiamento cutaneo grazie alla sua azione antiossidante e anti-glicazione (processo degenerativo che porta all'irrigidimento delle fibre di collagene e quindi alla perdita della loro funzionalità). Risultati: la pelle è profondamente nutrita, compatta e tonica. Progressivamente, beneficia di un nuovo sostegno, le rughe si riducono, i contorni del viso risultano più definiti. Adatta a tutti i tipi di pelle, anche sensibili.

SENZA ingredienti di origine animale - siliconi - allergeni del profumo - alcool | TESTATO DERMATOLOGICAMENTE E PER LA NON COMEDOGENICITÀ | NICKEL CONTROLLATO*

ACIDO IALURONICO + POLIGLUTAMMICO Idratante liftante. Trattamento in gocce con 4 pesi molecolari di Acido ialuronico per assicurare un'idratazione intensa e multi-livello. All'Acido ialuronico è associato l'Acido Poliglutammico: attivo biocompatibile capace di inibire la degradazione dell'Acido ialuronico naturalmente presente nella pelle. L'Inulina, prebiotico naturale, preserva l'integrità del microbioma cutaneo, per una barriera epidermica sana e forte. Risultati: la pelle è idratata in profondità, progressivamente le piccole rughe vengono minimizzate, la superficie cutanea risulta più liscia e levigata, come liffata. Adatta a tutti i tipi di pelle, anche sensibili.

LIBERATING BEAUTY

COLLAGEN + MALACHITE CREAM BALM Antiwrinkle firming. Cream-balm treatment with Plant-based Collagen Amino Acids for an intense anti-age, firming, antiwrinkle action. Plant-based Collagen is combined with Malachite, a copper-rich mineral extract that's a precious ally when it comes to anti-age protection for the skin thanks to its anti-oxidant and anti-glycation action (the degenerative process that causes collagen fibers to harden and therefore lose their function). Results: the skin is nourished deep-down, firm and toned. Over time, it benefits from extra support, wrinkles are reduced and the contours of the face are more defined. Suitable for all skin types, even sensitive.

HYALURONIC + POLYGLUTAMIC ACID MOISTURIZING LIFTING. Drops treatment with 4 molecular weights of Hyaluronic Acid to deliver intense, multi-level hydration. Hyaluronic Acid is combined with Polyglutamic Acid, a biocompatible active able to prevent the deterioration of the Hyaluronic Acid found naturally in the skin. Inulin, a natural prebiotic, helps preserve the skin's microbiome, making the epidermal barrier healthier and stronger. Results: the skin is hydrated deepdown, fine wrinkles are gradually minimized, the surface of the skin is smoother, as if lifted.

Suitable for all skin types, even sensitive. WITHOUT animal ingredients - silicone - perfume - alcohol | DERMATOLOGICALLY AND NON-COMEDOGENIC TESTED | NICKEL TESTED* | *NICKEL <0.0001%
