LIBERA LA TUA BELLEZZA

TALASSO-SCRUB CRIOATTIVO
sali esfolianti tonificanti con oli essenziali
ad effetto freddo

Un vero trattamento SPA che abbina per la prima volta i benefici di talassoterapia e aromaterapia a quelli della crioterapia, per assicurare in un unico gesto una pelle più levigata e uniforme e un corpo più tonico fin dalla prima applicazione.

Azione esfoliante e sublimante: un mix di sali marini, grazie alla diversa granulometria, liberano la pelle da tossine e impurità e stimolano il fisiologico turnover cutaneo.

Effetto freddo attivo: selezionata molecola, ispirata alla crioterapia, garantisce un effetto freddo immediato che, riattivandosi nel tempo, genera una sensazione di freschezza continuativa e di leggerezza prolungata.

Potere tonificante e rinvigorente: purissimi oli essenziali avvolgono la pelle, conferendole un intenso senso di energia e vitalità.

CRIO-GEL
ANTICELLULITE* SUBLIMANTE
effetto freddo attivo • lifta uniforma rimodella
TRIPLA EFFICACIA

L'iconico anticellulite ispirato alla crioterapia ancora più efficace, grazie all'associazione tra l'energia di speciali molecole crioterapiche e il potere di un'unica formula sublimante, per garantire una triplice efficacia: **liftante, uniformante e rimodellante.**

La sua texture sensoriale, fresca e leggera, si applica facilmente e si assorbe rapidamente, mentre la sua fragranza aromaterapica avvolge il corpo donando una rigenerante sensazione di benessere.

EFFETTO FREDDO ATTIVO

Due speciali molecole ispirate alla crioterapia garantiscono un **effetto freddo immediato**, e si riattivano nel tempo, generando una sensazione di **freschezza continuativa**, stimolando costantemente la microcircolazione e ossigenando i tessuti per donare una leggerezza prolungata. Per potenziare la loro azione, un attivo che agisce come booster e uno speciale complesso attivo di menta piperita italiana ricco di flavonoidi e polifenoli.

AZIONE SUBLIMANTE

L'acido shikimico **lifta la pelle** e la esfolia delicatamente migliorandone la texture e rendendola più liscia e luminosa. In aggiunta speciali particelle soft focus che aiutano a **minimizzare gli insetismi** cutanei e l'aspetto a buccia d'arancia, per un incarnato più uniforme.

AZIONE ANTICELLULITE INTENSIVA

I blend calibrato di caffeina pura e incapsulata, pepe rosa e infuso di arancia amara italiana **previene, tratta e contrasta gli insetismi della cellulite con un'azione intensiva e prolungata**, rimodellando progressivamente i contorni del corpo e attenuando visibilmente la buccia d'arancia.

*cosmetico contro gli insetismi della cellulite - cosmetic against the imperfections caused by cellulite - cosmétique actif contre les imperfections causées par la cellulite - Kosmetika Produktie gegen die einseitigen Zellen der Cellulite - cosmético contra las imperfecciones causadas por la celulite

CRIO-GEL ANTICELLULITE* SUBLIMANTE / CRIO-GEL ANTICELLULITE* BEAUTIFYING
EFFECTIVE FRESHNESS: special molecules, inspired by cryotherapy, ensure an immediate cold effect that's reactivated over time, creating a constant feeling of freshness plus long-lasting lightness. Enhancing the effect even further are a booster active plus a special active complex - Italian peppermint - rich in flavonoids and polyphenols.
BEAUTIFYING ACTION: Shikimic acid lifts the skin and gently exfoliates, improving its texture and leaving it smoother and more radiant. What's more, soft focus particles help minimize blemishes and orange peel skin, for a more even complexion.
INTENSIVE ANTICELLULITE ACTION: A balanced blend of pure, encapsulated caffeine, pink pepper and Italian bitter orange infusion prevents, treats and tackles the appearance of cellulite with intensive long-lasting effects, gradually reshaping the figure and visibly improving orange peel skin.

e 175 ml 5.9 FL. OZ.

TALASSO-SCRUB CRIOATTIVO / ORIGINALE TALASSO-SCRUB
SMOOTHENING: a unique combination of sea salts with different grain sizes liberates the skin from toxins and impurities while boosting natural cell turnover. The light, fresh, sensory texture goes on easily and is quickly absorbed, while the aromatherapy fragrance cocoons the body in an invigorating sense of wellbeing.
ACTIVE COLD EFFECT: Two special cryotherapy-inspired molecules deliver an instant cold effect that is reactivated over time, creating an enduring sense of freshness, constantly stimulating the microcirculation and oxygenating the tissues for long-lasting lightness. Enhancing the effect even further are a booster active plus a special active complex - Italian peppermint - rich in flavonoids and polyphenols.
