Deterge e purifica quotidianamente la pelle del viso grazie alla **particolare texture nera**, che si trasforma in morbida schiuma a contatto con l'acqua. La presenza del **carbone** purifica la pelle, riduce impurità e sebo in eccesso, garantendo un'azione anti-lucido opacizzante. Ideale per pelle impura e/o a tendenza grassa. Massaggiare sul viso inumidito e risciacquare.

Cleanses and purifies the face every day, thanks to the **special black texture** that turns into a gentle foam in contact with water. Formulated with **charcoal** to purify the skin and reduce impurities and excess sebum, delivering a mattifying, anti-shine effect. Ideal for impure and/or oil-prone skin. Massage into wet skin and rinse off.
