DEEP MOISTURIZING FLUID
FOR ALL SKIN TYPES
Soft and velvety, it provides long-lasting hydration for up to 72 h, strengthens the skin's barrier and protects it from oxidative stress, thanks **to Italian Peony extract** and the **Idro-Attiva Complex**.

HYDRA-ILLUMINATING
SUBLIME TALASSO-SCRUB
A real spa treatment that combines the benefits of thalassotherapy and aromatherapy with the power of **Madonie Manna extract and a plant complex made with Italian Mullein flowers**, rich in polysaccharides and polyphenol complexes, for smoother skin with a radiant glow from the very first application. EXFOLIATING COMPLEXION-EVENING POWER: inspired by thalassotherapy, a blend of different-sized sea salt grains exfoliates gently but deep-down, leaving skin smoother, more even and velvety to the touch. HYDRA-ILLUMINATING ACTION: jojoba oil and Vitamin E work in synergy with illuminating microparticles to deliver an intensive hydro-nourishing boost, for visibly more radiant, nourished skin. REBALANCING REVITALIZING POWER: the aromatherapy benefits of a blend of essential oils with a pure, vibrant, delicate perfume create a sensation of pleasure and wellbeing. Suitable for all skin types, in one gesture it leaves the body incredibly soft and hydrated, with skin that's more luminous and radiant every day.

FLUIDO IDRATAZIONE PROFONDA
PER TUTTI I TIPI DI PELLE
Morbido e vellutato, assicura un'idratazione duratura e prolungata fino a 72h, rafforza la barriera cutanea e protegge la pelle dagli stress ossidativi, grazie **all'estratto di Peonia italiana** e all'**Idro-Attiva Complex**.

TALASSO-SCRUB SUBLIME
IDRA-ILLUMINANTE
Un vero trattamento SPA che abbina i benefici di talassoterapia e aromaterapia a quelli dell'**estratto di Manna delle Madonie e del fitocomplesso di Fiori di Verbasco italiano**, ricchi in polisaccaridi e composti polifenolici, per una pelle più levigata e un effetto glow luminoso e radioso fin dalla prima applicazione. EFFICACIA ESFOLIANTE UNIFORMANTE: ispirato alla talassoterapia, un mix di sali marini a granulometria differenziata, esfolia delicatamente ma in profondità, lasciando la pelle più levigata, uniforme e vellutata al tatto. AZIONE IDRA-ILLUMINANTE: una sinergia di olio di jojoba e Vitamina E, insieme a microparticelle illuminanti, dona un apporto intensivo di princìpi idro-nutrienti, per una pelle visibilmente più radiosa e nutrita. POTERE RIEQUILIBRANTE RIVITALIZZANTE: i benefici aromaterapici di un mix di oli essenziali dal profumo vibrante, puro e delicato conferiscono una sensazione di piacere e benessere. Adatto a tutti i tipi di pelle, in un solo gesto rende il corpo straordinariamente morbido e idratato ed una pelle ogni giorno più luminosa e radiosa.
