PER TUTTI I TIPI DI PELLE
FOR ALL SKIN TYPES

Trattamento doposole per viso e corpo, idratante e lenitivo. Formula biodegradabile fino all'80% (test standard OECD 301F), dall'elevato potere restitutivo arricchita con ingredienti idratanti, emollienti e lenitivi. Dona un'immediata sensazione di freschezza alla pelle accaldata e disidratata dall'esposizione al sole. Idrata a lungo e rende la pelle morbida e setosa. Con delicato profumo certificato eco-label.

Moisturizing and soothing after-sun treatment for face and body. Up to 80% biodegradable formula (OECD 301F test), ultra-restorative, enriched with moisturizing, softening, soothing ingredients. Delivers an instant sensation of freshness to skin that's overheated and dehydrated by exposure to the sun. Provides long-lasting hydration and leaves skin soft and silky. With a delicate eco-label certified fragrance.
